Where to start when you have a lifetime if memories..... You were always so funny, loving , and giving to all of us. You told us all like it was abd man it was such fun watching you and aunt Tina going at it! My fav memories of you were going bowling and signing the songs on the radio, just so you would change the channel on us.... Man that used to piss Kelly off! You not only love us kids like your own but you gave your heart to my kids too! Marky loved you so much! We will miss you a ton, always in our hearts until we meet again! Xoxoxo Love always!
