Dear Scalio Family,I just found out about Roxann's passing. I am so very sorry for your loss and for the people who had, in one way or another, had Roxann in their lives. I personally got to know Roxann when I started Junior High School. After our time at 76, we both went our separate ways to high school. She had a rough exterior with a heart of gold! I fell very blessed to have known Roxann as a friend for such a small time. Her photo brings back a smile to me. Roxann, May God Bless and hold you in his arms, always!Anita (Dixon) Good

R.I.P. Dear Roxann. It's been many years since Granny's Corner and all the friends that traveled through. And how could we ever forget we both named our daughters Crystal L Smith and the sometimes mix up of the names in school. It's been too many years since we last saw you but your beautiful picture brings back a flood of memories of you and your beautiful family. Our deepest sympathy to all your family and loved ones.
