My sincerest sympathy to Nancy's family: Ike, Karen, Brian, Wayne and family. Nancy was a courageous woman in life and I know that she will now walk through fields of flowers with angels and our Heavenly Father. My prayers are for you to find comfort and peace in days to come. She will always be near you and will forever be in your hearts. Ann

Nancy Karen and I used to love going to the Md Home Show in Timonium every year to get ideas for the house and garden what a great time we always had when we got together. You will be missed so much you were a great friend and a joy to spend time with and were there by my side when I was fighting for my life in Shock Trauma. Love you and will truly miss you. Maybe you can sew Jesus or his Dad a robe or two since I know you are at their side.

My life has been forever changed for the better because she was my friend. I will miss our talks and will even miss you making me pull stitches when I sewed something wrong (which was quite often). Thank you for being my friend and sharing your life with me. I will miss you more than words can ever say. My sympathies go out to you all and thank you for letting me be a part of her life. Kimie
