Most people in life are lucky to 1 father, the Lord has blessed me with 2. Since I was a little boy you have taught and showed me so much. The first time I met you I was in awe of how tall and strong you were not only physically but mentally ( you dealt with my mom and her kids for 30 years) no mortal man could have done this. You have provided for us since day one and for that I am forever grateful. You may not be here in body but I know you are in spirit. I love you Pop rest easy till we meet again!

You were always such a gentleman. I enjoyed running into you, you always had a kind word and very supportive. I always felt a little better after talking with you. I'm glad you are no longer suffering, but will miss bumping into you in Sobo.
