I remember being just a little boy going to Kindergarten at FSK and all the way to Middle school and going to my Grandmother's house after school. As I grew up she was always there by my side either physically or mentally to steer me in the right direction. She was the LIFE of any party as nobody know what she had in store. She provided plenty of laughs and gave unconditional love to all 10 of her Grandchildren. As I became a man she watched me graduate High School and go directly into the U.S. Army. She told me all the time of how PROUD she was of me for my choices. As I continued life I married and had children and she was always at every event until she became ill. I have so many memories of this GREAT WOMAN that time wouldn't allow me to elaborate. You will be missed by so many people that you touch throughout you life. Rest Assure that everyone has a special memory because you were a SPECIAL WOMAN. Grand Mom go now in peace and celebrate your eternal life with Grand Pop, Breanna, My Mom and Dad. You will be missed by so many people but never forgotten. R.I.P I love you always
