I liked Terry from the very first day i met her. When i walked in the house and she kept calling me George's girlfriend after i insisted we were just friends. Little did i know, he would be the love of my life and i would gain a great family along with him. I will really miss your gossipy phone calls, all your secrets you told me, that obnoxious laugh of yours that would make me laugh. I love you so much. The kids and I miss you so much. You have always been there for us when we needed you and we appreciate it all. Please watch over all of us. Rest In Paradise.
