Barb, Chris, Renee and Kate, there are no words to ease your pain now, just know that he is no longer suffering and visiting his own mother,etc. but the memories you all have made will ease your pain and one day you'll all be together again. Most people never experience the LOVE you all had. Cherish it always.

I'm sorry we could not be with you for the service. Rob was a great guy and a good friend. We will all miss his smile and perennial good nature. My wife and I extend our most sincere condolences to Barb and the rest of the family. Absolutely GREAT! Couldn't have been any better.... They were ALL about Family and dear Friends...and Rob couldn't have been a better one....he and Barb were and will always be dear to my heart... She and I worked together for many years and remained friends there after. Hope she will want to stay in touch. She and her family need time now, its something one never gets over, but we learn to deal with missing the ones we love and hold dear....and the MEMORIES we made will help keep him close forever.

Memories only last if you share them
