Peg, I met you when I was a Little League coach and Kim was on my team. You were there for every game. You were always willing to help out in any way possible. Over the years I got to know you off the field as well. You were one of the kindest, most generous and genuine people I have EVER met. Always met with a smile and always a kind word. You will be missed by many and I am truly blessed to be able to call you my friend. RIP Peg, you are one of a kind.
