Phyllis, My thoughts and prayers are with you in this time of need. My heart aches at the emptiness that I know you will feel at this time! When I think of Cathy, I always see you two together, riding around in your truck--just like my mother and I, always together!!!!!! It will be a hard road to travel but I know God is with you every step of the way!!! Prayers to the rest of her family and may they relish in the memories that will always in some ways comfort them and yourself for they will live on forever!!!! Love to you and God Bless! I am here for you, anytime, anyplace and anywhere so please don't hesitate to contact me!!! God Bless you Cathy and may you fly high with the Angels by your side!!!! Linda Summers
