My beautiful mom... Please watch over us all and protect us from this world we live in. You always said you did not envy our generation; thus, you were so right. Our hearts break with this tremendous void that will be forever embedded in each person that you touched, and we're so truly blessed to have had you as our mom/friend. You've left a legacy behind and we'll do our best to feed and nurture the love you've instilled in us. Through my tears and anguish, I know you're with the Good Lord. I love you so dearly, my beautiful mom, and I know papaw is so happy to have you close to him again. Love to you, mom. Linda, Olivia, Landon, and Grant

She was such a kind person that made you laugh. I work at APL and knew her and worked for Mr. Lundy - two great caring people. I know she will be missed by her family and friends. Mary Jo

I am so sorry to see this. I worked at APL and would assist in the nurses office from time to time. I visited with her when she lived on the farm. Mary and Mr. Lundy were wonderful people. Debbie

she was a great mother and role model who knew how to brighten anyone's day. She never met a stranger. So blessed to have had her live with us for the past 2 years where we shared lots of stories and laughs. We all love and miss you terribly.

I have the last joke she sent to me. Always loved seeing her and laughing together. I will miss her dearly. She was so concerned about me since I lost my husband and just the day before she said she was always praying for me. Love you Mary...
