Myles was my half brother. We had the same dad. I really only knew him when I was young. I loved how he could sing like Elvis. He had some demons but was very nice to me. Also I remember he had a daughter named Shawn. Lost touch with him a very long time ago, but pray he is at peace. Love Kim Tull Smith

I met Myles many years ago when he came for care at the VA hospital where I work. We kept in touch from time to time over the years. I will always remember him as a rowdy but loveable character who had a heart of gold. He was a special person and a good friend. To the family: Please know that you are in my prayers for comfort and healing. "Thank you, Myles for your friendship and your service to our country. God has now called you to a higher service. I will miss you." With love, Debby
