Dear Ms. Gloria, I came by the house last night to visit aunt sandy. Your presence was missed immediately. I remember the first time I saw you. You embraced me, jamie and justin to your heart with no questions asked. I knew your love for us kids was meaningful and from the heart. Two weeks ago tomorrow was the last time I saw you and I could tell that you were tired. I told you i was moving to West Virginia, and I was going to be a daddy for the first time. You told me that I'd be a great father. Lord knows how much I want to be a good parent and support my family. It hurts me knowing that you aren't going to be around to see my son or daughter, but in my heart I know you will be looking down on us as we go living our lives. When you get to those golden gates, tell St. Pete that you have great company waiting for you. Im positive that he'll make sure you get to where you're going. It will be my honor and privilege to carry you on my shoulders to your final resting place, as you carried us on yours when you were here to give us your love, kindness, and advice. We know that you are in better place now..We will meet again. Rest easy now, your work here is done. God Bless and God speed your life to eternal peace.Love, Buddy
