I am so sorry to hear of your loss. Tina and/or Kathy, please send me your home address. Your mother was a great giving person and it is a shame she had to suffer so in her last years. But she was also stubborn. My mother thought the world of her and is probably with her now. Steve told Jack about your mother. I know you all will miss her--she was a special angel.

TREESby: Joyce Kilmer (1886-1918)THINK that I shall never see A poem lovely as a tree. A tree whose hungry mouth is prest Against the earth's sweet flowing breast; A tree that looks at God all day, And lifts her leafy arms to pray; A tree that may in Summer wear A nest of robins in her hair; Upon whose bosom snow has lain; Who intimately lives with rain. Poems are made by fools like me, But only God can make a tree.
