Aunt Donna - Lonnie and I loved getting to chat with you at the bakery nearly as much as I loved Banana Fana Santa Ana as a kid. You will always be special to us. Take comfort in knowing that I will always be there for your children and grandchildren. Give Mama a big hug for me, and please watch out for our babies when it's their time to cross the Rainbow Bridge. I know Calleigh especially will be so happy to see you both, but I plan on holding on to her selfishly for as long as I can. Meanwhile, enjoy the family that has been waiting for you
