Pop, you will be missed. I'm still in shocked about this. I know you've been sick for a while now, but I never thought your last days on earth would be so painful. I called up the hospital many times, but you didn't want to talk because you were in so much pain. I believe that you didn't want me to see your suffering because you knew it would break me. I'm glad you're up in heaven with Mommy (Crystal) , Wayne, and Mom-Mom Rox. I'm pretty sure all of you guys are arguing already lol. I love you pop. Love always and forever your PRINCESS 🤗
