I will always remember Jimmy for his generous nature. I remember once taking him to the grocery store where he stocked up on "Ramen Noodles" as his funds were limited at that time. Later that day when we were running another errand he came across someone on the street that he felt was in more need than he was so he gave him the money that he had. Rest in peace Jimmy and may the Lord be as generous with you as you have been with so many others. Mick

Jimmy, We have been through a lot together. Our paths have gone in different directions, but I have always loved you as my brother and hoped the best for you. You have always shown great love to my children and they will always remember that. Your struggles are over and you can enjoy the love and companionship of Daddy and the family members that have gone before you. Give them my love and know that I love you and will miss you. Cathy

My memories of my Uncle Jimmy revolve mainly around our large family events. He always had a big smile on his face and seemed so happy to be surrounded by all of us. He always wanted to know what was going on in all of our lives, to catch up on lost time. I remember his kind voice and his many compliments. In that way, he reminded me of his dad, my granddad.

Rest in peace Uncle Jimmy. I remember you as always having an enthusiasm that had a tendency to rub off on others. You were always excited to see me and interested in the things that I was doing in my life and you tried to find ways to connect through those things. I hope you didn't suffer in your days before passing. You've moved onto a better place where life continues and I hope you find the peace there that we all search for throughout our lives here in this life. Please give Grand-dad McLean a big hug for us and tell him we miss him dearly and that we look forward to being reunited with him when our purposes here are complete. Love, Your nephew Cameron
