Thank you for all the beautiful memories. For the fatherly advice and warm hugs. Our Coffee talks and royal farm dinner was awesome. I called you grandpa and you called me your guardian angel even until you died. You are greatly missed..NURSE JUDITH

I am so grateful for our friendship, and long talks over an extra large Dunkin' Donuts coffee. I will miss you so very much but know in my heart you will always be close. You were one of the best people I have known. You always had the best advice and encouraging words. I was humbled by the love of your family and ability to talk about life and learning from our mistakes. I love you to pieces and am forever grateful to have had the opportunity to have you in my life for a short time. The impact you have had on my life will never be forgotten. Until we meet again my sweet friend.

Sad I'm his second grandchild and wasn't even included in his obituary. But I know in my heart that doesn't change the love my grandfather had for me. He always had a special bond with me, his granddaughter Halley ❤️
