Steven was a blessing to his mother by taking care of her all these years, she will definitely miss him. I used to see Steven all the time riding his bike and asked him how his mom was doing, he would say she's doing great and she's in her 90s. I'm sure going to miss seeing him around. I remember Steven and my brother Melvin were too crazy guys back in the days when he used to hang in my mother's basement. Sending prayers to his family and friends. RIP Steven
