Sincere condolences to the Janiel Family. Although I never meet you or any of your family I always try to pay my respects to those who lived in South Baltimore who have lost ones, especially their father.

I got to meet this legend of a man a couple years ago in Norfolk, VA during a boat trip. We had a blast and I got to share with him (verify) many of the stories I had heard from "My Man" over hours of time just talking and sharing family stuff. Ken was one of a kind, and I know he had touched so many up there. Wendy and I and the family are sending our love and prayers to the family up there in MD as I know you guys are hurting. Have faith that you and we will meet again in glory. Only God knows when, but it's a promise.

The one thing that I remember about my Uncle Ken is that he was always silly and cracking jokes.
