Daddy, where to begin? I hope you are at peace and not suffering any longer. Please don't be mad at us for keeping you in the hospital when all you wanted to do was come home! We tried to do everything in our power for you, but god had a better plan for you. Maybe uncle andy and grandma were driving each other nuts up there and needed you to come save them :) In my selfish mind I'm mad your gone, I needed you! I'll miss all those back to back phone calls with pointless conversations. Id take one of them right about now. This by far has been the HARDEST DAY OF MY LIFE. Please just know we were all there for you right by your side when you left us. you fought so hard in your finale moments. I love you, or as your texts would say "I L Y" Remember I will always be your daughter and nothing will ever change that, I will do everything in my power to let you kids know how much you loved them and how much of a great man, father and grandfather you were. Please rest easy! Your free no more pain. See you one day, please welcome me with arms wide open when that moment comes! Love you so much daddy
