Lee's life and mine intertwined to a large degree from ages 5 thru our early 20's. We lived about a block away from each other in Locust Point. We were classmates 7th - 9th grades at PS 76. During that period, we enjoyed many trips to Patapsco State Park to collect snakes and such. He loved snakes! We were in a rock & roll band together when we were 14. We went to Poly together. He was in my wedding in 1976. Then our lives diverged and we lost touch. I am saddened to hear of his passing. May he rest in peace. Ron Maylor

Went to FSK #76 with Lee. Locust Point was a great place to grow up and it's sad to see so many of her "kids" passing on. RIP Lee. Bill Retz
