Aaron Robert Thomas

JUL 1, 1969 - OCT 1, 2022

Aaron Robert Thomas July 1, 1969 - October 1, 2022

It is with great sadness and heavy hearts that we record the sudden passing of Aaron Robert Thomas, beloved father, husband, brother, son, and friend.

Aaron was born on July 1, 1969 to mother Catherine Yvonne Thomas and father Robert Emmett Thomas. He attended Smithtown High School East on Long Island, New York where he was a member of the golf team.

Following graduation from high school in 1987, Aaron enlisted in the U.S. Navy and was honorably discharged as a Veteran of Desert Storm in 1991.

Aaron earned a bachelors degree in Civil Engineering from North Carolina A&T in 1996 and a Masters degree in Environmental Engineering from Johns Hopkins University in 2003. Aaron took great pride and felt a strong sense of purpose in his career of over 20 years as a civil engineer.

Along with his wife, Amy, Aaron was a fixture in Baltimore's Federal Hill community. Aaron most treasured spending time with his family, particularly at his family's cottage in Ontario Canada, and socializing with his many friends. Aaron was always the life of any party or gathering and a gifted storyteller. He was an avid golfer and this love of the game was the topic of many a story and conversation. His pride and joy was in being a father to his children, and he treasured their many accomplishments.

Aaron is survived by his mother Catherine Yvonne, father Robert, wife Amy, daughter Noel, sons Kyle, Danny, and beloved dog Willy; brother Kyle, sisters Kathleen, Leahanne (Tom), and Emily (Sean), nieces Annabel and Maeve, and nephew James.

I'll always have fond memories of times spent with Aaron during his Syracuse days, at the Devil Lake cottage, in the 1000 Islands and on the slopes. His great personality, friendly demeanor and humor always made him fun to be around. Even when I was the brunt of his humor, he always delivered his "zings" with his his big, friendly grin, always in fun...and always funny. Aaron was a great guy that has left us all way too soon. Our hearts go out to his wife, Amy, their kids and the entire Thomas family during these sad times.Derek Mainstone

I remember meeting Aaron our freshman year in college. He noticed me wearing a Yankees jersey and we became friends over our love for the Yanks. I have never met a more competitive antagonistic sports fanatic than Aaron. To this day, he lights up my phone every time Duke basketball suffers a loss. He enjoyed seeing Duke lose more than Syracuse winning. We spent 3 years together at Appalachian State before he transferred to NCA&T and I am so proud to call him a life long friend.

I remember Hazen hiring on Aaron Thomas and immediately feeling a jolt of energy in the office. His passion for his family, wastewater, and golf were addictive. I'm going to miss him and his larger than life personality - all of us likely have learned from Aaron how to be a better father and a better engineer. Thanks Aaron - we'll miss you, but we'll keep your legacy alive.
