Mary Berryman posted:

I know biam not a relation but no one loved and cared for Jack as much las I did I took care of him when no one else could and I would do it all over again..I hope Jack is still thinking about me and looking down and protecting me with all he had... I hope we see each other in the after life.. I'll never forget how u helped me when no one else would...I will always feel your presence in this house...
