Leslie Holland lit a candle in honor of Edward.

Ed was one of my favorite people ever-the first friend I made at Department of State and he taught me a lot. He was so authentic and sarcastic with a wicked sense of humor and just a really sweet person. He would call me every year after we no longer worked together as his son and I share the same birthday-Sept 29. I'm so sad he's gone as I do miss him but I'm so glad he is with his beloved Joanne. The photo of us is at Khan el-Khalil, the Cairo Souk. God speed Ed-adore for ever TTFN.
