# Patricia Ann Leight

MAR 7, 1956 - JUN 13, 2024

**O**n Thursday, June 13, 2024, Patricia Ann Leight passed away peacefully in her home surrounded by family. A lifelong resident of South Baltimore, she is survived by her four daughters Jennifer Grimes (DJ Krenzer), Jamie Whittington (husband Brian Whittington), Jacqueline Jacobs (John Homa) and Nicky Grimes. Beloved grandmother of James Patrick (wife Devon Patrick), Jeanna Eisenhardt, Julieina Andrews, Hayden Whittington, Jazell Whittington, Aliviah Brunner, John Homa and Storm Grimes. Beloved great grandmother of Brody Patrick and Austin Patrick.

Beloved daughter of the late Dolores Springer, late stepfather Edward Springer and late father August Vogel. Beloved sister of the late Catherine Rakowski, survived by Linda Vogel, the late Robert Vogel and survived by Donna Levey (husband Bill Levey).

Patricia was selfless and caring and known for putting others before herself and looked out for the well-being of everyone around her. She was known in the neighborhood first as the most dedicated, passionate mother to her four girls, eight grandchildren and two great-grand-children. She graduated Mervo in 1974 as an LPN, but many remember her from her time as a substitute teacher, librarian and working at Royal Farms as Skinny Pat. Our mother touched many lives and if you knew her, you knew her outgoing personality and love for her children and grandchildren was like no other. She was the true definition of matriarch and will be missed by so many.

Throughout the years, Patricia became the mother figure, friend, and mentor to so many of the neighborhood children. She had a soft spot for the less fortunate and was always helping someone, whether it was feeding them or giving them life advice.

Patricia will be deeply missed by all who knew and loved her. Her legacy of compassion, kindness and wisdom will live on in the hearts of those she left behind. May she rest in peace knowing that she made a lasting impact on the world and brought light and love to so many.

Today marks a month you've been gone. I still wake up everyday and think its all going to a bad dream. I never imagined not having you in my life. I know everyone says shes in a better place but thats not true being here with us was a better place. I love and miss you so much everyday. I know one day I will see you again but that day isnt today and its hard without here. You are my rock and my world and I feel so lost without you here not being able to see you and hug you and hear you tell me you love me and need me. Im so glad i got to spend the last eight months with you by ypur side and doing everything for you. I miss our latenight talks and snacking at 2/3am. I kept my promise to you and I intend on keeping the rest of them. I am the strong woman I am today because of you and I know deep down I can withstand the storm like you always told me I could and Im trying but its hard without here. I love and miss you so much everyday I wpuld give anything to have one more day with you.

The Lord is my shepherd I shall not want. He makes me lie down in green pastures. He leads me besides still waters. He restores my soul. He leads me in paths of righteousness for his names sake. Even though I walk through the valley of death I will fear no evil for you are with me your rod and your staff is with me. You prepare a table before me in the presence of my enemies, you anoint my head with oil, my cup overflows . Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever. Memories are forever. Love you forever.

Dear Mom The moment that you died, my heart was torn in two, one side filled with heartache, the other died with you I often lie awake at night, when the world is fast asleep and take a walk down memory lane with tears upon my cheeks. Remembering you is easy I do it everyday but missing you is heartache that never goes away. I hold you tightly within my heart and there you will remain, until the joyous day arrives that we will meet again. I love you more than words can say Mom. You were the most amazing, selfless and strongest woman I know.
