Marie Anita Silverdahl

SEP 19, 1959 - JUN 22, 2024

On Saturday, June 22, 2024, Marie Anita Silverdahl passed away. Beloved daughter of the late Antoinette and Frank Dorr. Cherished mother of Antoinette Dorr and husband Sam Hartley. Dear sister of Steve, Frank and the late Paul. Treasured aunt of Sean and wife Christie, and Nick. Loving grand aunt of Taylor and husband Travis, Hayden, and great grand aunt of Jensen. Dear friend of Marie. Also survived by many other loving relatives and friends.

Marie helped people in life and in death. She was known as a big lover of animals, as she always cared for them and would feed homeless cats. Marie always cared for others over herself and her family will remember her as an extremely giving person.

In lieu of flowers, the family requests donations be made to BARCS in Marie's honor

Marie and I became fast friends in the 5th grade. We spent countless summer days up at the park pool. I cherish those memories. She was beautiful, kind, and I know she is flying with the angels now. Much love, Marie.

I loved you from the first day we met when linda S had a crush on Frankie. You know how teens are they get a boyfriend and kick the girls to the curb. You picked me up lol we were inseparable for 5 yrs. Even as our lives took different paths we always reconnected. Life sure threw some curves your way. Losing your mom so young turned you hard but you never forgot your friends from the neighborhood or me. These last few years we have really been there for each other and I will never forget you. RIP my friend and watch over us down here.. no worries about Big Foot or those Aliens they don't let them in heaven. The village will help Antoinette get through the days ahead.

that was beautiful Angie. Babs messaged me saying the lord planned for her to have me with her because I was Strong and could handle it. It still feels like a bad dream.

Father God, please pass this message on to my friend Marie who is now with you in Heaven, In Jesus name I ask this, amen... I was so sad and shocked to find out what had happened to you. I saw your post to your bestie Marie on Facebook about how excited you were to be going to OC to celebrate her birthday with her. I was happy for you both. Only God knows why things happen like they do. I was happy when you and I connected again on Facebook after so many years had passed. I found out from you that you had gotten saved and accepted Jesus as your Lord and Savior just as I had. We both knew how He had changed our lives for the better and turned them around for Him. I will miss you, Marie. I will see you again one day in Heaven and we can Praise and Worship our Lord together.
