# Edward John Schoeberlein

SEP 24, 1959 - MAY 29, 2025

**O**n May 29, 2025 Edward John Schoeberlein passed away. Beloved son of Dorothy Schoeberlein, and the late David Schoeberlein. Cherished brother of David and wife Marsha, Patricia and husband Wayne, Dorothy and husband Chuck, Joseph, Annette and husband Larry. Also survived by many other loving relatives and friends.

Edward's life was deeply rooted in his unwavering devotion to his mother, for whom he served as a dedicated caregiver. His passions extended beyond his familial responsibilities, most notably in his love for music. A talented musician, Edward owned six guitars and a collection of recording equipment, which he used to create and share his music. He found joy in performing at local establishments.

Beyond his musical pursuits, Edward's affection for animals of all kinds was apparent, especially his love for dogs and cats. His enjoyment of nature beyond animals was shown in his love of off-grid camping throughout Maryland. A reliable van served as his companion on his camping trips, being a veteran of the United States Air Force and in a testament to his generous spirit, he later donated it to the Veterans Administration, seeking to assist those who had served their country like he did.

Edward was known for his inherent desire to share with others, particularly those in need. His compassionate nature led him to consistently extend a helping hand wherever possible. In the later years of his life, Edward's faith deepened, becoming a guiding force in how he lived and loved. His journey was marked by dedication, creativity, a love for the natural world, a deep compassion for others, and a growing spiritual connection.

A celebration of life will be held at a later date.

In Lieu of flowers the family ask for donations be made to the Veterans Administration.

I'm so sorry to hear of Ed's passing. He was a really good friend to me when I lived in Locust Point. Always good for a laugh and an impromptu song. He'd be driving around the neighborhood and catch me walking Ransom (one of his favorite dogs) and practically screech the tires to say hi and offer Ransom a treat, and to fill me in on his latest travel plans. Good man.

I didn't know Ed for a long time but he is one of the funniest people I've ever met! I will always remember how no matter how he was feeling, he made it a point to brighten our days with a new outrageous joke (many would consider inappropriate), but Ed had what I would consider top notch humor! One of the best customers we had the pleasure of serving at Cultra; Rest easy my friend !

Mr. Ed was a regular at my former job, his friendliness knew no bounds. He was always ready with a joke, and always hoping to brighten someone's day. He was the type of person to see someone having a bad day and return 20 minutes later with a bouquet of flowers and a hopeful sentiment. The world lost a lovely, hilarious and caring soul. RIP Mr. Ed, thank you for your kindness and full heart.

My heart aches losing you. Edward, you have always made me laugh, especially on Tuesday when I last saw you I will miss our daily texts. As we got closer over the past five years, I remember the good the bad and the best times growing up together. I will treasure these memories. I can still see your smile sitting next to me at lunch at Barracuda's. You will always be in my heart. ❤️

On a cold winters night after some hard partying at Hammerjacks in old SOBO we landed at an apartment down LP.. can't remember if it was Eddie or Joe's apartment. I remember going up the stairs and there were some old Bose 911 speakers mounted at the top of the stairs.! Needless to say, once the party started, we almost blew the grills off of those those speakers. I'm sure that the neighbors were thoroughly impressed.! That is all I can say and still keep that night as a "G" rating..! R.I.P old friend ❤️
