Words cannot express the loss that our family will feel without my mom in our lives. She was a great mother and a wonderful person. She loved all of us unconditionally and made Cindy and I feel like we were both her favorite. I will truly miss her always..Freddy

Cindy and Freddy, one of the best memories I have growing up is coming to your house on Christmas Eve for many years with my parents and all of our other neighbors. It was always happy and fun. Your mom, as well as your dad, and the both of you will always be one of the happy memories of my childhood. Your family will always have a special place in my heart. I still have the quilt she made my son Collin for my baby shower, it is one of the items I kept for him when he gets older. I am glad that I knew your mom and both of my children got to know her. Your mom was a wonderful person and will truly be missed. Love to both of your families.

Cindy Curley posted:

My Mom was a wonderful woman. She loved her family, her friends and especially her grandchildren. She was a crafty woman. Found a love of quilting and spent a lot of time and love into all of her projects. On behalf of my family, a huge Thank You goes out to all our family and friends who have touched my mom in a special way. We hope to see you after her funeral on Monday for a celebration of her life. - cindy

"Cindy and Freddy you are in our thoughts and prayers at this very difficult time. Our family has wonderful memories of Sunday family dinners at Gloria Heck's home (Pat's mother), sitting around the dining table, sharing Southern food, and talking about the little ones, (Cindy, Freddy, Jen, Tom, Lisa and Nick). How the years melt, but the memories remain our gifts. There was no-one who loved their family more than Patsy. Her laughter and smile filled the air. We will miss your mother, our sister-in-law and our children's aunt. But, memories of her smile and love will remain with our family." With love, Steve and Family.
