Charles was one of my very best friends growing up. We lived around the corner from each other and were always together... One thing that comes to my mind about him and I hanging out was our "concerts" we would be sitting in his bedroom, windows wide open (no matter the season) singing Kenny Rogers songs. Some were duos, he was Kenny and I was Dolly! It makes me smile to think of those many times...Another thing, we were always at the Riverside Park Pool, playing "Shark" or "Marco/Polo." We would go to the pool from the time it opened, go home and eat lunch, and then go back to the pool. We would stay there most times until it dinner, unless one of us had to be home before then. I was a part of his family, I would even get scolded by his Grandmother and Parents if we got into trouble...I remember endless summer nights for many years of sitting on his front steps talking to his Grandmother, Mom, Dad, and Brother. I also, remember when they would have Kraft Mac 'N Cheese I would always be automatically included for dinner, because it was my favorite... Roller Skating with their church and so, so, so many things!!When I found out that Charles had passed away, I cried for what I know to be about two hours. And even though I hadn't seen or talked to him since he had first become a Father, I thought of him a lot and I have always held my friendship with him very dear to my heart. He was my best guy friend, ever! He never had a bad thing to say about anyone, always smiled, and gave great hugs!! I could probably write on here for hours, but I will end with this... Charles William Langrehr, I will always love you and hold a special place in my heart! My heart, love, thoughts, and prayers go out to his Wife, Daughter, Parents, and Brother! He had the sweetest soul of anyone I have ever known. R.I.P. Always & Forever Your Friend, Rachael

Chuck was a great person I had the pleasure of meeting 27 yrs ago through his Brother Richard. He was a great guy who loved his family more than anything and would do anything for them. Him and his brother had their moments but in the end they were always there for one another. He will be missed by many and I am so glad he is pain free now and spending time with his grandmother now looking down on his family to watch over them. Prayers to the family and his Wife and Daughter. Esther
