You gave no one a last farewell,Nor ever said goodbye.You were gone before I knew it,And only God knows why.A million times I'll miss you.A million times I'll cry.In life I loved you dearly,In death I love you still.In my heart you hold a place,No one else can ever fill.It broke my heart to lose you,But you didn't go alone,For part of me went with you,The day God took you home.We will see each other again, I'll always be your little girl.Now God has called upon you,It's time to get your wings.To leave this life behind you,And enjoy all of heavens beautiful things.I love you DadLove your daughter
