“ Mr. George you were the hardest working man I know! Family was always first. Thank you for sharing you'r family with me and all the vacations and cook-outs over the years. I don't know how you and Mrs. Min put up with us over the years. A hundred years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove... but the world may be different because I was important in the life of a child. THANK YOU FOR BEING A FRIEND!

“ I love and miss you so much dad!!! Thank you for showing me what a true strong man looks like. You were a hard worker and made sure your family needs came first before your needs. You were always there for me. I don't know what I'm going to do now without my rock. You were my security blanket. I never had to worry about anything cause you always had my back. I feel so lost without you..
I love you like a dog 4-ever and ever and ever
Love your daughter Tammy
