“ Josie was my moms best friend, She was always a part of our life. Josie and my mom had some great times together, they parted for a few years but always ended up being back together. My mom got Josie an apartment where she lived and Josie came up to see my mom everyday. Josie was a great listener, a very sweet person and Loved her son more than anything in this world. When I would go to moms and Josie was there my grandson who is 2 asked who is that and I told him that's Josie gran grans best friend and he would act afraid of her, then one weekend Kaiden said Hi Josie and every time she would come up he would run in moms room to say hi to her, He really liked her and she really liked him too, She always talked about wanting grand kids and would have been a wonderful grand mom. I love you Josie and thank you for being such a wonderful friend to mom. I cannot believe your gone it just don't seem real. I will never forget you may your beautiful soul rest in peace. Love Freda and Kaiden <3
