“ Oh how we loved you Aunt Therese. So many wonderful memories. Crabbing in Baltimore, your visits in Indiana. Will always love you and Uncle Hacky. A more generous person never lived.

Forever,
Ted

“ I was very fortunate to have Therese as my sister-in-law. She helped with each new baby (there were four). She and Hacky were always so generous with our family. Every visit was like Christmas! Needless to say she was the best Aunt anyone could every want. Always happy and full of life. In bed for so many years, she is in a much better place.

Love you always, Murielle

“ Aunt Therese was an amazing woman. I know she had a very tough go of it for many years but before that she was such a vivacious woman. She was so much fun to be around. Every memory I have of her brings a smile to my face. She always had a great story to tell or memory to share. She remembered everything! I feel so lucky to have had her in my life. One of my favorite memories is being with everyone at their house for a great crab feast, her crab-cakes were the best! I know she is in a better place now with uncle Hacky, her brother Ted, (my dad) and the rest of her family that have gone on before her. I picture her dancing, singing, and having a great time.

I am happy my husband, Art and our children, Artie and Maggie were able to get to know her.

You will always be in my thoughts, Love, Michelle

“ Mom, I was so lucky to have you as a mother. I hope you know many people you touched and the great memories they have of you. I know the last few years were not the best, but you never complained. I will miss you, but I am thankful for the 47 years I was able to call you mom. I know you are in a better place now. Say hi to Dad for me. Love Patrick
