“ To this day, Bob's mark is on the city of Clearwater, Florida. His progressive thinking and proactive approach to the economic development of our city moved us light years ahead. Never before or since has anyone contributed so markedly to the well being of Clearwater. He and his spirit will be greatly missed.

“ Bob was truly a wonderful boss. He shared his sage wisdom with those of us who became the City of Clearwater Economic Development Team. And what a "TEAM" we were! He became a mentor and a dear friend who challenged me to think outside the box. I would not be where I am now if it weren't for Bob. He will be dearly missed by those who knew him, especially Diane, my former co-worker, who became the light of his life. I'm sending love, peace, and prayers to everyone who knew and loved him during this difficult time of loss. <3 <3 <3 Anne

“ As a member of Bob's Economic Development Team for the City of Clearwater, I remember him as a truly kind and generous man who was a mentor to us all, who encouraged us to pursue new experiences and learning opportunities, and who turned a group of individual, disparate employees into a working family.

He was especially patient (although he did roll his eyes on occasion) with my quirks and predilictions, and never failed to sit down and listen when some strange idea or concept popped into my head.

I feel lucky to have known him and worked with him.

Everything is just a little grayer without him.

To Di -- all the hugs you can handle.

“ Bob Keller will be missed. He was by far the best boss and mentor i will ever have and he certainly demonstrated leadership in so many ways. He was a good friend and was a person who did so much to help others without needing to be recognized for it. So many lives and so many places are so much better due to Bob's care. Gone way to soon . But I truly believe that God has a plan for all of us and that Bob is smiling down on all of us.

Diane - our thoughts and prayers are with you . Peace be with you .
